

On Wednesday, our Year 5 children delivered an extremely informative assembly all about their learning in class this half term including the Solar System and Victoria Era. Thank you to those parents and family members who were able to join us and well done to Year 5!

Next week, we will be marking Children's Mental Health Week in school the theme of which is 'Know Yourself, Grow Yourself'. Each day over the lunchtime period children will be able to access a range of mindfulness activities delivered by staff and our school council members. Friday will be a non-uniform day as we also mark the NSPCC Number Day event.

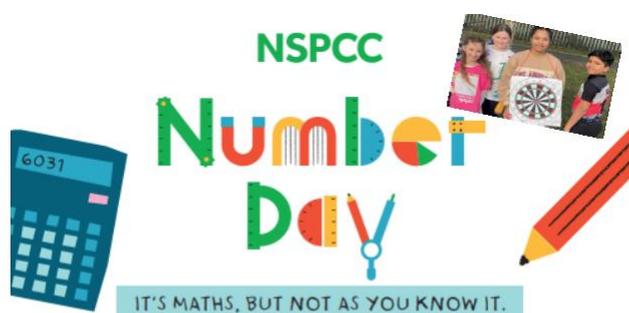

Have a lovely weekend,

Miss Ackroyd

Head teacher
