

It has been a busy couple of weeks back in school, with all children fully immersed in our 'Community Detectives' project, finding out more about the History and Geography of the local area they live in.

Our new Reception children have settled in really well to life at St Luke's and it has been a pleasure getting to know them all over the last two weeks!

We are opening our doors next week so you can come into school and have a look at your child's new classroom and meet their teacher. You will be invited to enter your child's classroom, via their normal class exit point, once all children have been safely handed over to adults. If you have more than one child, you will be able to visit their class too - there will be people around to show you where to go. Please see dates below for your child's year group.

Finally, please remember that our school car park is for the use of staff and permit holders only for the safety of all. Thank you for your support.

Have a lovely weekend,
Miss Ackroyd
