

15th January 2026

Dear Parents and Guardians,

We have had a busy and productive week of learning at St Luke's Primary School. Reception have had a fantastic time taking part in their 'LauLau' session in the hall. Year 5 have been learning a street dance in PE, and Year 6 have been exploring the topic of our homes and families in French. All the children have been working extremely hard across the school and continue to make us very proud.

A group of children were also very excited to take part in a dinosaur workshop with Mrs Renaud (unfortunately the university could not come). They all had a wonderful time and thoroughly enjoyed the experience.

A polite reminder that children should be wearing the correct school uniform, including black shoes. On PE days, children should wear a plain black hoodie, black trousers, and a white T-shirt.

Our attendance since returning to school in January has been phenomenal. Thank you for ensuring your child is in school every day.

Our Christian value for this half term is **Love**. We will be focusing on who we love and how we can show love in appropriate and meaningful ways.

We would like to wish you a lovely weekend and look forward to seeing you on Monday.

Kind regards,

Mrs Spencer

We are aware of ongoing issues regarding parking on Fagley Lane. We would like to remind parents and carers to park both safely and considerately at all times. Please note that the school car park is for staff use only. We are currently working with the council to introduce additional safety measures on Fagley Lane and the surrounding areas. In the meantime, school staff will be monitoring the situation over the coming days. We kindly remind parents that these are members of staff and should be spoken to respectfully at all times.

If you are a Blue Badge holder, please inform the school office so that appropriate arrangements can be made. Thank you for your cooperation in helping to keep our school community safe.
