

We have enjoyed another busy week at St Luke’s with children taking part in Water Safety sessions and today our Year 5 and 6 pupils are enjoying an interactive Lego Robotics workshop with staff from Bradford University.

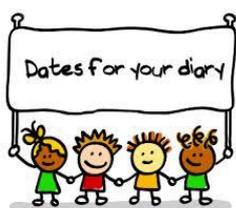

Next week, in school children will enjoy ‘Science Week’. We will have a launch assembly on Monday morning and share pictures of the children’s learning on our school Facebook page.

Next Friday, we will also be supporting Red Nose Day. We will enjoy a variety of Red Nose themed activities over the lunch time period and red noses will be on sale before and after school next week.

All parents are invited to join us for our whole school Easter Service on the last Friday of half-term (27th March) at 2pm in Church. This is a special time for our school community to come together and celebrate Easter. We look forward to seeing you there!

Have a lovely weekend

Miss Ackroyd
