

Our Christian Value this half term is: Forgiveness

This week we celebrated British Science Week in school. We started our week with an assembly all about science and, in particular, a celebration of the life and work of Sir David Attenborough. A big thank you to our science leader Mrs Renaud for all her hard work in putting this special week together.

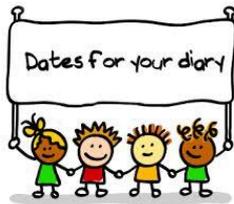

It was lovely to see so many of you at our Parent Consultation Meetings yesterday. I know you will have heard many pleasing words about your children and their hard work and good behaviour shown in school.

Next week is our final week in school before we close for the Easter break on Friday, re-opening on Monday 13th April. We have a busy week planned with our annual Easter egg competition, Easter breakfast and a special service in church at 2pm on Friday to end the half-term.

Miss Baxandall would like to invite all children to come into school in non-uniform next Friday in celebration of our excellent attendance so far, this academic year. Please send a £1 donation if you can to support funding of our attendance awards throughout the year.

Have a lovely weekend

Miss Ackroyd

Tuesday 24 th March	9am Easter Breakfast
Wednesday 25 th March	9am Year 1 class assembly
