

It is hard to believe there are only four weeks left of this academic year and what a busy few weeks they are set to be! Please see below for a reminder of our remaining diary dates.

On Wednesday, Year 1 enjoyed a visit to the Yorkshire Wildlife Park. The children enjoyed exploring the park and having the chance to see a variety of different animals up close. A great day was had by all and once again the behaviour of our children away from school was impeccable.

All classes have been busy over the last couple of weeks, making lots of things for the SOS to sell at the Spring Craft Fair at St Luke's Church this Saturday from 9:30am- 2pm. Please go along and support our SOS group and also see some of the other stalls there.

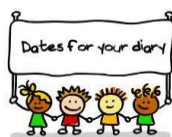

We would like to remind all parents and carers to park considerately and responsibly when dropping off or collecting children from school. Please be mindful of our neighbours, avoid blocking driveways, and ensure that parking is safe for all members of our community.

The school car park is not to be used by parents and carers at any time. The car park has been closed to safeguard our children, particularly our Year 6 pupils, whose classroom is located within the car park area and who walk through this space regularly to access their classroom. Restricting vehicle access is an important measure to help keep all children safe. Thank you for your understanding and cooperation in helping us maintain a safe, respectful and caring environment for everyone.

Have a lovely, sunny weekend
